Kutzall/Saburr-Tooth coarse Ball Bud Rotosaw		<ul style="list-style-type: none"> - Aggressive stock removal - Initial shaping - Rounding over edges (bud) - Scooping concave curves (ball, saw) - Leaves a rough surface 	mdiwoodcarvers.com 12X-S2 \$17.85 treelineusa.com 327-6521 \$15.95 327-6711 \$15.95 327-6421 \$16.50
Inverted cone		<ul style="list-style-type: none"> - Undercutting edges for relief carving - Cutting sharp lines and v-grooves - Leaves a medium-smooth surface 	riogrande.com 345856 4.7 mm \$5.46 345856 6.3 mm \$6.45 ** For some reason, burr only fits in certain collet reducers
Mini stump cutter cone set, pointed		<ul style="list-style-type: none"> - Outlining shapes - Making/refining sharp cliff edges - Making sharp, precise textures - Drawing thin, sharp lines - Leaves a fairly smooth surface 	mdiwoodcarvers.com 21-SET39 \$5.25
Knife-edge cutter		<ul style="list-style-type: none"> - Drawing sharp straight lines - Creating lined textures, crosshatching - Creating random fur-like texture - Smooth, knife-like cut 	mdiwoodcarvers.com 27-KEC08 \$8.15
Diamond small ball diamond flame		<ul style="list-style-type: none"> - Making a subtle stipple texture (ball) - Drawing subtle lines (both) - Detail sanding in tight spaces (flame) - Leaves a very smooth surface 	treelineusa.com 133-2360 \$7.50 mdiwoodcarvers.com 20-001-0255 \$10.10 20-250-016F \$3.97
3M Bristle disk		<ul style="list-style-type: none"> - De-fuzzing splintery bits after carving - Won't degrade sharp carved lines - Expensive, but worth every penny - Leaves a smooth surface - DO NOT exceed 5,000 RPM - Will last a long time if treated properly (= light touch). Will disintegrate FAST if not treated properly (= heavy touch) 	treelineusa.com 3/4" 220 grit disks, 6 pk. 127-3220 \$11.95 1/8" mandrel 127-0003 \$1.95

Notes:

- These are my best-loved and most-used burrs. There are TONS more options out there. Don't waste your money on sets.
- Compare prices and selection yourself. Some of the burrs listed above come in different metals and qualities, so price differences make sense.
